

Ridgeway Campus Prospectus

2023-2024

Introduction

This School is a registered and accredited Independent School established to provide a quality education to the UK community and, in particular, to Brethren students.

The School's Ethos, Values Statement and Guiding Principles govern the School, and are reflected in a series of policies, procedures and handbooks which have been developed to meet statutory and registration requirements and are to be adhered to in all aspects of the operation of the School.

About OneSchool Global UK

OneSchool Global is a global school, with over 130 campuses in 20 countries, including cities such as New York, Paris, Sydney, Rome, Auckland, Copenhagen, Los Angeles and San Francisco.

With an innovative approach to learning, delivered in cutting-edge, technology-empowered physical and digital learning environments, OneSchool Global is preparing life-ready students who learn how to learn.

Our self-directed learning model places students at the centre of all that we do. We challenge traditional and dated pedagogy and embrace technology to deliver the best possible learning outcomes for our students.

OneSchool Global recruits and develops high quality teachers. Our teachers partner with our students in their learning and rather than being considered the 'sage on the stage', play a 'guide on the side role' to support students.

Our in-house Teacher Academy provides teachers with the training they need to be the best they can be. We provide teachers with the skills they need to be successful at OneSchool Global and skills that will make them highly capable and competent in teaching in a digital world.

OneSchool Global is a school that lives its values and is guided by the School's ethos. The School is generously supported via the donation of time and financial support from members of the Plymouth Brethren Christian Church.

[Click on the OneSchool logo to learn more about how this cutting-edge schooling system was inspired and how this awesome vision is being realised.](#)

OneSchool Global Ethos

At OneSchool Global, we are committed to a culture where students are encouraged to develop their full potential and acquire the discipline of learning how to learn while upholding Christian teachings and beliefs.

The truth and authority of the Holy Bible and strong family values underpin the commitment of the School to provide quality in every facet of education - curriculum, teachers, facilities, management, and discipline - in a safe and caring environment.

OneSchool Global Vision Statement

A global education ecosystem that develops life-ready students who learn how to learn and achieve.

To ensure our students are life-ready, we need to teach differently. To be life-ready in today's world, our students need to learn how to learn. To be life ready, our students need to develop independent and critical thinking skills, and skills such as teamwork and collaboration

It is these skills that form an aptitude base that allows a student to adapt. Most importantly, these critical skills are transferable. When industry changes, when entire fields of work and job types are no longer required, it will be the life-ready, critical thinkers who stand the test of time and find new ways to add value.

We are prepared to do things differently at OneSchool Global to deliver on this vision. We challenge traditional and outdated pedagogical models. Our learning centres, the way we embed technology in them, and ultimately our students, are a testament to this.

OneSchool Global Mission Statement

“Learning to Learn”

The School is committed to creating and delivering learning programmes that meet the educational needs of each student, and to nurture the attitudes and skills necessary for the continual learning and personal growth throughout life.

“Learning to Learn” means to use learning as a tool whereby students are equipped with the ability to think critically, process information perceptually, analyse data accurately, and evaluate situations intelligently in order that they fulfil their true potential.

OneSchool Global Values

At OneSchool Global each student, parent and staff member shall uphold the values of the School which include:

Integrity – uprightness, honesty and decorous conduct, governed by the Holy Bible,

Care and Compassion – kindness, consideration and generosity to all,

Respect – for all people, property, opinions and those in authority,

Responsibility – for our actions, progress and the environment and,

Commitment – to self-discipline and the pursuit of excellence.

Campus Principal Mr James Harrison

Welcome Message

Welcome to OneSchool Global UK Ridgeway Campus.

We are one of 135 campuses operating across 19 countries.

Ridgeway Campus has a highly qualified, enthusiastic and positive team that consists of outstanding staff, volunteers, students and parents who are passionate and energised by our corporate vision:

A global education ecosystem that develops life-ready students who learn how to learn.

Ridgeway has excellent facilities with its technology-rich learning environment to assist our self-directed students from Y3–Y13 to excel at the broad range of national curriculum subjects available. Up-to-date and current innovative use of technology enables our students to access a wider curriculum and team of professionals.

We are on a journey of continuous improvement and our vision is to be outstanding in all facets of the school from the academic results, to the pastoral care and wellbeing of the pupils.

Our pastoral care is fuelled by compassion and kindness in line with the deep-rooted values of our school.

We aim to ensure that pupils leave the school as well rounded individuals that are life ready with a strong growth mind-set.

We look forward to welcoming your child into our team and watching them succeed to their full potential.

Mr Cameron Hughes
Lead Campus Administrator

Our History

Ridgeway Campus officially opened its doors to the pupils on September the 21st 2018.

The school was originally based in Cottingham in an old Victorian School, serving pupils from the Doncaster, Chesterfield, Hull, Lincoln and Grimsby Brethren communities.

Although a lovely site the school did not offer us the ability to be flexible in our learning and space was restricted.

Work began on our new campus at the start of 2018.

The new campus now offers pupils the latest and state of the art facilities and technology to aid their learning. We now have 13 studios, 2 super zoom rooms set up to facilitate the teaching and receiving of Zoom lessons for our sixth form pupils. Each of our studios open up on to one of the learning centres. The learning centres offer our pupils the ability to work independently in our focussed zones, semi collaboratively or collaboratively.

The pupils and staff are now settled in to our new home and we are seeing the Ridgeway stamp of culture permeate through every facet in the school.

The Global House System

The Global House System is based around the ethos of inclusion and encouraging teamwork.

It is designed to reward academic work, effort, sporting achievements and good citizenship. It is the role of the House System to embrace all students and provide a climate of success for all.

The Global House System consists of three houses each with an assigned colour as shown below. These houses are run globally throughout our affiliated schools, meaning that we can encourage teamwork with other regions, not just within our campus, thus enhancing our students' desire to strive for their best, due to a much wider area of healthy and constructive competition.

Each student is assigned to a House and will normally remain in that House for his/her duration at the campus. Many house events and competitions are run which link to learning and help foster both teamwork and self-directed learning skills. The Global House System encourages healthy participation in activities and is well supported by staff and student leaders.

Charitable Fundraising

At Ridgeway Campus the whole community is committed to helping those less fortunate than ourselves.

There is a strong, student-led culture for fundraising and charity at Ridgeway Campus. This academic year students have raised money for many charities. The majority of fundraising initiatives are student-led, with representatives from our student council coming up with ideas for school-wide events. Not only does each initiative raise hundreds of pounds for charity, but it also gives students valuable experience in organising and leadership skills.

Charitable donations made recently include:

- Breast Cancer Research
- Teenage Cancer Trust
- MacMillan Cancer
- Wheelchair associations

“

Ridgeway Campus is a special place, a unique blend of state-of-the-art facilities, cutting-edge teaching methods and a dynamic leadership team. In addition, the pupils, staff and parents are made to feel part of a team, a team that has a purpose and is achieving results. As parents we are thankful we have such a place to send our children.

”

Our Curriculum

...wholly supports the School's ethos in promoting Christian values and provides a balance, ensuring students develop academically, aesthetically, morally and physically.

Ridgeway Campus has adopted the Curriculum Policy developed by OneSchool Global UK. The curriculum is designed to ensure that every student can realise their potential. The curriculum is assignment-based, enabling the self-directed ambition of the organisation to be fulfilled. All students follow a personalised and challenging curriculum.

Years 12-13

All of our students progress to the sixth form and are offered a broad range of curriculum options designed to meet the abilities and aspirations of all our learners.

Cambridge International A Level qualifications are offered in Art & Design, Design & Technology, English, History, Geography, Mathematics, Accounts, Law, Business Studies, French and German, and Global Perspectives alongside Cambridge Technical qualifications in IT, Digital & Creative Media, and Business, a range of Level 2 qualifications, and Autodesk Fusion 360.

Additional subjects include Physical Education and PSHE, while courses such as Chef Skills, LAMDA Speaking in Public, London Institute of Banking and Finance and Extended Project Qualifications are available to students.

Digital technology, including Zoom and Canvas platforms enable campuses to collaborate with other schools for subject delivery which enables students to study subjects that would not normally be economically viable.

Xello and the Careers Advantage Programme also adds a unique and high quality vocational element to our curriculum which supports all students in gaining a better understanding of their career pathway and progression routes helping to ensure they are life-ready on graduation from OneSchool Global UK and excited about embarking on future post graduate qualifications.

Extra-Curricular activities are a strength of our school. Our students have the opportunity to collaborate on extra-curricular projects and activities at campus regional and global level. Recent highlights including our termly Choir Festival, annual Public Speaking Competition and inter campus debating opportunities. Our extra-curricular offer is a key part of our curriculum and an area of continuous growth and development for OSGUK.

OneSchool Global Awards

The aim of the OneSchool Global Awards programme is to motivate students to achieve across a range of personal and academic qualities. It is a citation based reward system which acknowledges exemplary student behaviour in relation to our values and skills.

The main focus for awarding a citation is based on OneSchool Global Values
Integrity, Care & Compassion, Respect, Responsibility, Commitment.

The value is demonstrated through a OneSchool Global Skill
Academic Achievement, Leadership, Involvement in School Activities, Diligence, Management Skills.

Integrity

Care & Compassion

Respect

Responsibility

Commitment

Citations are key rewards within OneSchool Global and contribute to the achievement of Bronze, Silver, Gold and Platinum Awards.

The OSG Award is inextricably linked to the OSG House Cup. House Points and citations celebrate students who go above and beyond in living our OneSchool Global Values and can demonstrate progression in OneSchool Global Skills.

**Hit the ground
running**

Career Advancement Programme

Bridging the gap between school and work; OneSchool Global UK offer a unique career advancement plan to all our students and this is proven to prepare them for the world of work:

What is CAP?

The Career Advantage Programme (CAP) provides all students with the opportunity to gain the skills and aptitude to achieve rapid success in their post-school careers.

CAP does this by:

- Providing Career Fundamentals and Business Foundations offered to all students in Year 12 and 13.
- Analysing the capability of each student professionally to ensure the student can effectively complete the courses.
- Sponsorship for students to carry out extra-curricular studies in the last two years of school.

The CAP curriculum

All students in Year 12 complete a Career Fundamentals course which is a global standard for employers. For CAP students, the diploma-type courses provide a theoretical and academic rigour, which underpins the students' academic programme and the career skills based study provides practical, real-world approaches to learning and helps them to develop skills and competencies required for lifelong learning.

Visit the website to find out more

<https://www.oneschoolglobal.com/cap/>

Beyond the classroom

Why is CAP Important?

There is an increasing awareness globally that high school studies alone are not adequately preparing students for the modern workforce. The Career Advantage Programme is aimed at equipping our children with the necessary skills to bring positive benefits to our businesses from day one.

Important for students:

- improving their employment opportunities
- improving the potential of earning a higher income on graduation
- empowering rapid progress along their career path

Important for businesses:

- higher value employees that are useful from day one
- employees with an established work ethic; self-starters, self-finishers, self-motivators
- employees that understand the value of study and training

“Pupils benefit from a wide range of enhancement and extra-curricular activities that develop their self-confidence, teamwork and leadership skills”

- Business Owner

Policies and Documents

Ridgeway Campus is committed to the safeguarding and protection of its students in line with national guidance. We endeavour to provide a safe and welcoming environment where all children are safe, respected and valued, as well as being underpinned by the following two key principles:

- A child-centred approach; for services to be effective they should be based on a clear understanding of the needs and views of children.
- Everyone employed and who comes into contact with children at Ridgeway Campus has a responsibility in relation to safeguarding.

At Ridgeway Campus we listen to students and maintain a child-centred approach to Safeguarding and Child Protection. We provide a safe environment for students both under and over 18, especially those who are considered vulnerable. All of our Policies are available upon request from our school office or via email: ridgeway@uk.oneschoolglobal.com

It is a pleasure to write a few words about what I appreciate about Ridgeway Campus. In its first year we had amazing support for my daughter in year six with prep for her sats - amazing teachers stepped in to teach them to provide best possible approach to their tests and this paid off as the excellent sats results show.

Parent

Very friendly reception staff that cheerfully deal with whatever comes their way. Excellent support from the teaching staff. Proved the benefit of the opportunities provided by the enrichment clubs - where, for instance, with guidance from a willing member of teaching staff in 1 lunchtime a week, a student has the opportunity to go fully SDL and get an AS-Level wrapped up before they've even sat GCSEs!

Parent

The support provided for my older daughter in year 10 approaching GCSE was also excellent and made the whole approach to the exams as stress free as possible. There are great systems in place in the school to get pupils very much involved and helping them become responsible for each other and their actions.
